From our Worthy President

July has been a very good month. Saturday Night's attendance has picked up, and it is great to see so many Eagles in the Social Room enjoying the food, music and fellowship. Two new very important committees were created this month and need volunteers. First one is for Bingo's Queen of hearts. Bill Grace and Louise Hatfield are heading this committee and will be looking for volunteers. The second committee is for Membership. We need new members if we are to survive. This committee is headed up by Gene Tripp and Paula Bougher. They need volunteers as well, not just man labor, but good ideas are welcome. I feel like things have been improving and we all need to keep pulling together and keep this going.

Thank you,

Your Worthy President

Bobby Mislow

From our Madam President

Hello Everyone,

Hope everyone had a wonderful 4th. Thanks to all that helped or donated to the Cancer Charity this past month.

This coming month will be the Golden Age Eagle Charity. We do not have anyone working on this but we will come up with something.

I was very disappointed at our last meeting. We still didn't have that many members to show up. If there is anything you would like to know about the Auxiliary please come to the meetings. Don't get second hand news sitting at the bar, come and find out.

It won't be long until our biggest event of the year, Halloween. We will need all the help we can get. Signup sheets and all the information will be posted soon. If you are interested in helping please contact the Worthy or me. I'm very sorry I didn't make it to the joint officers meeting, I was getting my ac fixed. I heard the turn out wasn't that good. Hope we have a better one next time. The joint officers meeting is not just for officers, it is open to all members. If you don't want to go to the meeting at least come to that.

Remember this year's goal is membership. Bring in those friends, family and neighbors. The more the merrier. Vacations over and school starts soon. People need a place to go and relax. Bring them down for happy hour, to play Bingo, or enjoy the bands on Saturday night, anything.

Madam President

Reba Moscaritolo

BOARD OF TRUSTEES

Things are looking up. July was a good month in spite of our normal summer slowdown.

We had a couple of very good Saturday evening with happy members enjoying the food and entertainment.

We continue to need your input as to which bands you enjoy the most. Please pass this on either to the BOT or Barbara Barber.

We are continuing "Happy Hour" for the month of August; it has increased our afternoon attendance.

Some of you may have noticed the new cigarette machine in the hall. It belongs to the Aerie and has already paid for itself. We owe Pam Nagel a big THANK YOU for getting this done as well as servicing it.

We hope you are enjoying your Aerie and that you will let us know how we can make it better.

After all.....it is YOUR Aerie and everyone's input is welcomed.

Bring in your friends and neighbors we need to increase our membership.

Thanks

BOT

What a team we had Saturday working on the PMP CANCER FUNDRAISER. My heartfelt gratitude to Laurie Moon, Bobby and Carol Mislow, Gene Tripp, Pati Berl, Allison Berl, Becca Wolfe, Ilona Cardona and BJ Farula. We were a team. Aerie and Auxiliary working together. Hard work but fun. My heart praises God for Chef Herman. He shared his kitchen while whipping up a fabulous brunch for Bingo. He always lets me know that we are a team for the common good for the Eagles. When was the last time we had an employee say that much less a member. Please join a committee, be a part of PEOPLE HELPING PEOPLE.

Louise Hatfield

MEMBERSHIP

Brothers and Sisters,

Over the last few months we have made many positive changes at 714 and as a result we are seeing members slowly starting to come back and enjoy the benefits of being active participants of our Aerie. We have made great strides in many areas and it is of the utmost importance to keep this momentum going to ensure the longevity of our Aerie.

Fraternal Organizations of all types have been seeing a steady decline in membership for years. The biggest challenge we currently face is not only the uphill battle of recruiting new members and retaining existing members but also the task of increasing participation in FOE activities and our charities. We need to reposition ourselves to appeal to new generations. We will need to raise our profile as the majority of people do not know who the Fraternal Order of Eagles are. By simply being more visible is one way of achieving positive results. Another way of is to make our organization more attractive to potential new members. The "We have always done it this way" mentality is no longer acceptable as the needs of young professionals are much different than a generation ago. Moving forward we have to break the time warp barrier by being flexible and listening to new ideas and viewpoints and adapt accordingly. We have to be willing to and able to evolve to fit with the times. Our very existence is being threatened by our own irrelevance in a modern world.

Young people of today socialize differently now. With all the new technology they do not feel the need to physically congregate or socialize. But I argue that being a part of a Brotherhood offers the reward of face to face interaction that you cannot get from a screen and this is what we have to find ways to capitalize on. With that being said I am pleased to announce the formation of a new committee comprised of both Aerie and Auxiliary members which will work together as a team to address these issues and find new ways to help improve our declining membership.

As we lose members we lose our financial base. If this trend continues we will simply go away. Only we Eagles can make the changes necessary to meet the challenges of current times and work toward ensuring our Aerie survives for future generations while at the same time doing so with the commitment, the mission, and the beliefs of the Eagle Organization. We CANNOT be resigned to just dwindling away. Membership is the key to survival of this great Charitable and Patriotic Organization!

FOE714 will be kicking off a membership drive beginning in August and we will be sponsoring several membership related contest and events for the remainder of the year. I implore all members to get involved! The majority of all new members join because of other people they know who are members. If every member brought in one new member it would be amazing! Show your Eagle Pride by helping get the word out to everyone you know and start signing up those new Eagles!

***** Information on Membership Drive activities and contest to be announced in upcoming email*****

The following people make up the Membership Committee:

Gene Tripp, Paula Bougher, Ron Lohmeier, Carol Mislow, Bob Bare, Kim Taylor, Jan Vining, Audrey
“Mayour” Martin, Otis Kilday, Barbara McPherson, Larry Barber, Becca Wolfe, Wayne Beck and Lori Moon

We welcome any new thoughts and ideas on how we can accomplish our goal! We ask that you put those in writing and give to one of the committee members so that we can discuss at our meetings.

I look forward to working with and talking to everyone!

WE CAN DO THIS!

Sincerely,
Gene Tripp
Vice President
Aerie 714

We are also very pleased to announce

“PEOPLE HELPING PETS”

This will coincide with “People Helping Pantries” this year!

Pets are a big part of many people’s lives and often time people that are in need of assistance will do without so they don’t have to sacrifice or give up beloved pets that offer company and support in times of need. We would like to help ease that burden. So, beginning August 1st we will also be collecting Dog & Cat food!

More information to follow on our recipient charity as well as what items are acceptable donations.

Thank you in advance for your support!
